Join ADI Toronto and Shawn German from Viewgate for a Training and Product Feature Day featuring an overview of the new and exciting CCTV Products for 2010.

Viewgate's new XDD cameras and new ES-Slim Line DVRS are designed to be both user friendly and cost effective. Learn how easy and seamless CCTV integration can be, especially when it comes to multisite management. Viewgate's new product line features value driven products that provide all the features you need.

Contact your ADI Sales Representative for more information.
