The friendly staff at ADI London and Todd Humphrey from Contact North would like to invite you to attend a free Product Feature Day highlighting Bosch and RCI products.

Enjoy a complimentary lunch.

Learn About:

- **Bosch – AutoDome Easy Compact PTZ Camera:** combines a high performance pan/tilt unit, compact mini dome housing, and a state-of-the-art autofocus zoom camera into a single unit
- **Bosch – Divar MR: Extreme UFLED IR Illuminators**
- **Bosch – Extreme WZ Series Cameras**
- **RCI – New EW8310:** an extra layer of security – like having a Security Guard at every door!
- **RCI – 3511 battery operated cabinet lock,** ideal for cabinets, lockers, mobile carts and other enclosures where power is not available
- **RCI – DE8310 delayed egress maglock**
