## The NTC's Training Department Offers Affordable and Accessible Training Solutions

The NTC's Training Department is the solution to your training needs in the low voltage and security markets. Whether you're an individual or a large company, Training Department gives full access to high quality, interactive training in major product categories available 24/7. Training Department provides online record keeping and management to help keep track of your company's training investment.

### What's included with Training Department?

All low voltage and security training programs offered by NTC are included. New courses are added regularly and courses are always kept up to date. Some of Training Department's current course offerings include:

\* *NICET Fire Alarm Certification*

\* *Access Control Systems*

\* *Low Voltage Systems (Level One)*

\* *Video/CCTV Systems*

\* *Fire Alarm Systems*

\* *Networking/IP*

\* *NICET Fire Sprinkler Certification*

\* *Residential A/V Systems*

\* *Security Systems*

*And more training is added all of the time!*

### What's the Cost?

Training Department provides the ultimate Training Solution. Training Department includes unlimited access to all of the training categories for one low price. Ninety (90) days of unlimited access to Training Department is only \$250!
