Please join ADI Mississauga for a Training Seminar hosted by Gerald Prolas from On-Q/Legrand. Lunch will be provided.

10:00am – 11:30am: Studio Style lyriQ Standard and High Performance Audio Systems

■ The LyriQ Multi-Room Audio System delivers high-performance sound at the touch of a button. Installed easily via Cat 5e wiring, LyriQ systems are available in multi-source or single source versions.

11:30am–11:45am: Lunch

11:45am – 1:00pm: Selective Call Intercom Systems

■ Seamlessly blending leading edge technology with stunning design, Selective Call is the most advanced intercom in the industry. The system allows broadcast or room-to-room communications at the touch of a button, and enables up to three simultaneous, private conversations.

■ 1:15pm–3:00pm: Unity Systems

■ The Unity Home System seamlessly integrates On-Q Camera, Multi-Room Audio, and Selective Call Intercom functions into one robust home system that is easily controlled via an attractive user interface. Available exclusively in the Studio design, at a price that's perfect for the production market.
